Some questions, to get to know you and your plans for your new family member.

Question 1: Would you like a male or female? from which litter if you have a preference or first available?(Sire and Dam's names)

Question 2: Do you plan on hunting or agility or something with this dog?

Question 4: Do you have a fenced in yard or safe place for your new puppy while you are away from home? Do you own your own home or rent? Do you live in a condo or apartment?

Question 5: Do you have children? What ages are they?

Question 6: Do you have any other dogs?

Question 7: Have you ever owned a golden retriever or other dogs before?

Question 8: Will this puppy be primary inside or outside?

Question 9: Do you plan to spay/neuter this dog, if not breeding? (We require that you wait until the puppy is a year old to spay or neuter.)
